

## Pupil questionnaire:

### I am in Class :

We asked the children to consider how they usually feel in response to these questions. In Foundation Stage we asked the children together as a class, in Year 1 we asked the children as a group and Year 2 individually.

I am very happy when I am in school	I am quite happy when I am in school	I am quite unhappy when I am in school	I am very unhappy when I am in school
89%	11%	0%	0%

Children follow the golden values in lessons	Children usually follow the golden values in lessons	Children don't follow the golden values in lessons	Children never follow the golden values.
81%	19%	0%	0%

Children follow the behaviour rules in the playground	Children usually follow the behaviour rules in the playground	Children don't follow the behaviour rules in the playground	Children never follow the behaviour rules in the playground
76%	24%	0%	0%

My lessons are interesting	My lessons are usually interesting	My lessons are sometimes boring	My lessons are often boring
77%	18%	5% <i>These children in FS said they did not like having to tidy up in lessons!</i>	0%

I feel very safe in school	I feel quite safe in school	I feel quite unsafe in school	I feel very unsafe in school
97%	0%	3% <i>These children in FS said they are worried they might fall over or someone might hurt them.</i>	0%

I really like learning outside!	I sometimes like learning outside	I don't like learning outside	I hate learning outside!
80%	11%	9% <i>These children in FS said they do not like the rain, the cold, are worried about thunder or getting dirty. Let us hope they feel better once they have done forest school.</i>	0%

We are pleased with the outcomes and will continue to try to ensure our children have a positive time at school.
