You should read Fantastic Mr Fox by Roald Dahl because he has lots of exciting adventures.

For the older children I would recommend Demon Dentist by David Walliams because it helps you to clean your teeth and if you don't you will get loads of tooth ache.

Matilda, by Roald Dahl has lots of funny things in it that made me laugh out loud.

Recommended by Year 2

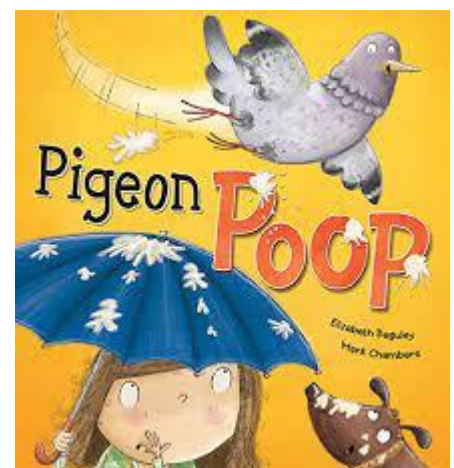

The Lion, The Witch and The Wardrobe has loads of great adventures in it that maybe you could find in your wardrobe. Maybe you could see all the secret creatures and Aslan there.

Pigeon Poop by Elizabeth Baguley is funny because there are lots of pigeons that poop and they have to use an umbrella to stop them from pooping on their heads!

Children might like Rainbow Magic books because they have lots of magical things in them. They have lots of different fairies and adventures too.

Sir Scallywag is a good one because he is only 6 years old but he is one of best knights have they.
