

Stannington Infant School Curriculum for the Teaching of Transcriptional and Compositional Skills Foundation Stage 2024-25

At Stannington Infant School we teach children the mechanics of writing by first focusing on transcriptional skills and then front loading our curriculum with SPaG content so that the children have the knowledge to be able to write cohesively and fluently. We expose the children to a wide range of high-quality texts and are explicit about the purpose and audience to enable children to make appropriate choices that fit the audience they are writing for.
